Consider a second specialization in INTERNATIONAL STUDIES

Add our interdisciplinary International Studies program, and you'll gain an international perspective on issues such as human rights, the environment, energy and resources, and more. Use your German to understand today's international challenges and opportunities.

Put your German to work

LANGUAGES, CULTURES, AND INTERNATIONAL STUDIES

Germany has the fourth largest economy in the world, is the world's third largest exporter, and has the largest economy in Europe. Add our innovative FLIT program to German Studies, and you'll do course work in business, economics, and related fields, complete your study with an internship abroad, and prepare yourself for a career in international trade.
